Letter from the CEO

Dear weFEEDsa Family,

As we step into early 2026, I am inspired by the advancements in various weFEEDsa initiatives. Our mission remains anchored in sustainable community empowerment through partnership, trust, and meaningful action.

Our Water Distribution Programme is notable. Since April 2024, we've delivered over 40 million litres of water to communities facing shortages, ensuring households, schools, places of worship, and clinics have access.

Our gratitude goes to Jonsson Workwear for sponsoring jackets for our staff and board members, enhancing our team's pride.

This month, we hosted Redflank, consultants to the IDC, for a site visit showcasing the Social Employment Fund programme's positive impact.

Your trust empowered us to enhance our deployment of Zakat funds toward initiatives that restore dignity, create livelihoods, and strengthen communities. We appreciate your confidence in 2025 and invite you to continue this journey with us in 2026. With your support, we can extend our programmes' reach.

Thank you for walking this journey alongside us.

Warm regards,
Zahid Fakey

THE WATER PROJECT

WATER DISTRIBUTION PROJECT REACHES THE 40 MILLION LITRES MILESTONE

By weFEEDsa – Water Division

Since April 2024, we have delivered just **over 40 million litres of water** to communities in need – a remarkable achievement made possible through dedication, collaboration and faith.

All praise and gratitude are due to the Almighty, whose grace, mercy and blessings have made this work possible.

We extend our sincere thanks and appreciation to the **owners and sponsors of the water tankers** placed at our disposal, fully financed and entrusted to us for management. Your confidence in our team and your generous support has been instrumental in ensuring water reaches those who need it most.

Our heartfelt gratitude goes to our exceptional **water project management team** on the ground. Their tireless coordination of daily loads, continuous monitoring and adjustments to delivery schedules,

their readiness to swiftly address incidents ensures smooth and efficient operations. The commitment and professionalism of all involved are the backbone of this project.

To our dedicated **drivers and assistants** – your early mornings and long days are deeply valued. May the Almighty bless you and your families abundantly.

We extend our appreciation to **Human Aid and Ahmed Osman** for partnering on this impactful initiative. Your continued commitment to humanitarian service and community upliftment is truly commendable.

To the many other organizations, donors, sponsors, service providers, and well-wishers – your contributions are invaluable. Thanks to you, water reaches communities in need.

The project is set to grow with the addition of the **weFEEDsa** water tanker, expected by **March/April 2026**, significantly enhancing our capacity and reach.

The **Water Distribution Project** is a testament to unity and shared expertise. As it grows, we welcome partners who share our commitment to sustainable community support. Organizations and individuals wishing to sponsor monthly water distribution are invited to join us in ensuring this essential service reaches more families.

Together, we can turn compassion into action and ensure clean water flows where needed most. May the Almighty accept our efforts.

WHERE WATER FLOWS, COMMUNITIES GROW.

WHERE YOUR ZAKAAT MADE A DIFFERENCE IN 2025

In **2025**, your **Zakaat** and contributions became a beacon of hope. **60% went to Education and Empowerment**, funding bursaries, school supplies, home repairs, and business support, helping families thrive. EXPLORING IMPACT: SITE TOUR WITH IDC REDFLANK

We were thrilled to host the **Redflank** team from **IDC** as they toured **weFEEDsa's** project sites. They explored initiatives in greening, placemaking, food security, and water access. The team interacted with participants, gaining firsthand insight into how **weFEEDsa** and the **Social Employment Fund (SEF)** are creating lasting change.

This shared journey was invaluable, and we are grateful for the opportunity. We look forward to even greater growth and impact together in the future, fostering sustainable developments and community empowerment.

Heartfelt HIGHLIGHTS

"After my divorce, I fell behind on rent and felt everything was falling apart. At my lowest, facing eviction, I turned to weFEEDsa. They provided rental assistance, helped cover arrears, and continue checking in monthly. Their support gave me peace of mind, renewed hope, and the confidence to set goals. Thank you, weFEEDsa, for lifting me when I needed it most."
