JULY 2026

Al Baraka Bank at Sally's Soup Kitchen
Mandela Day outreach and donations in Welbedacht.

Letter from the CEO

Dear weFEEDsa Family,

July reminded us that meaningful impact begins with people who are willing to show up, invest in others, and create opportunities for growth.

This month, we welcomed **Standard Bank** and had the opportunity to spend time with the ECD practitioners they are sponsoring through our programme. It was encouraging to witness first-hand how their support is influencing the practitioners development, strengthening their skills, and ultimately contributing to the young children they care for and teach. We are grateful for their continued support and look forward to exploring how we can build on this partnership.

Our **Sports Development Programme** also gave us a proud moment as we celebrated **WBC Africa Heavyweight Champion Jose Kadima**. His achievement represents the opportunities that sport can create, from developing discipline and confidence to opening doors for greater recognition and advancement on the African and international boxing stage.

Through our **Al Baraka Bank** CSR initiative, we also saw the value of giving back through action, with their team feeding at one of our soup kitchen's and spending time painting at a children's home.

July was a reminder that every contribution, partnership, and act of service can help create lasting change.

Warm regards,
Zahid Fakey

HIGHLIGHTS

STANDARD BANK SUPPORTS ECD PRACTITIONERS

We were pleased to welcome the **Standard Bank** team to our ECD Practitioner Programme, providing an opportunity to experience the impact of their support firsthand. Through their sponsorship, ECD practitioners are supported on their journey towards qualification, strengthening their skills and creating better learning opportunities for young children. The visit allowed the team to engage with practitioners, hear about their experiences and see the progress being made. We value Standard Bank's commitment to education, skills development and strengthening early childhood development within our communities.

SUPPORTING CHAMPIONS THROUGH OPPORTUNITY

Our Sports Development Programme celebrated a proud milestone as **WBC Africa Heavyweight Champion Jose Kadima** reached the pinnacle of African boxing, with weFEEDsa proud to have supported his journey as a sponsor. His achievement reflects the power of sport to build discipline, confidence and resilience, while creating opportunities for athletes to grow and pursue their ambitions. Jose's success highlights the importance of investing in sporting talent and creating pathways for athletes to gain recognition and progress on both the African and international boxing stage.

AL BARAKA BANK: GIVING BACK THROUGH ACTION

For Mandela Day, **Al Baraka Bank** supported our soup kitchen in Welbedacht, helping provide meals to over 200 people and donating essential items, including roofing sheets, a fridge, and pots. As part of their team-building experience, the team also visited Tholuthando Children's Home, helping renovate and repaint the space to create a safer, brighter environment for the children. Their involvement demonstrated the value of meaningful community engagement, while creating an opportunity for the team to connect with the community and make a lasting impact through practical acts of service.

Heartfelt HIGHLIGHTS

"I would like to sincerely express my gratitude for the support I received from your organisation. At a time when I was struggling financially and uncertain about continuing my tertiary studies, you assisted me with a bursary and even provided a grocery hamper. Your kindness and compassion truly made a difference in my life. I know that this would not have been possible without your support.
