

weFEEDsa: KEEPING STREETS CLEAN DURING COMMUNITY EVENTS

Letter from the CEO

Dear weFEEDsa Family,

Reflecting on September, we see that meaningful change is built through consistent action, strong partnerships, and dedicated people.

This month underscored the core of **weFEEDsa** supporting education, providing essential resources, and creating stronger communities. We thank **Al Falaah College** for donating 40 desks to schools in need, benefiting learners at **Redcliff Primary School** in Verulam.

September also marked a milestone for our **ECD** Level 4 learners, who completed their exams after months of dedication. We are grateful to **Standard Bank** and the **SEF** for their support in making this opportunity possible.

At **Mandlinkosi Secondary School in Lindelani**, water access has been restored, benefiting students and the surrounding community. We also supported the **Juloos** during their ceremonial procession, ensuring clean, safe routes as well as arranging security and ambulance services.

These moments reflect **weFEEDsa's mission**: feeding, educating, and empowering communities with dignity. Thank you to every donor, partner, volunteer, and supporter who makes this work possible. Together, we continue building meaningful and sustainable change. Thank you for joining us on this journey.

Warm regards,
Zahid Fakey

HIGHLIGHTS

CREATING SPACE FOR BRIGHTER FUTURES WITH AL FALAAH COLLEGE

Al Falaah College generously supported weFEEDsa by donating desks to schools in need of reliable furniture. So far, 40 desks were delivered to **Redcliffe Primary School** in Verulam, providing learners with a proper space to read, write and learn. Quality furniture plays an important role in creating comfortable, productive learning environments.

Thank you, Al Falaah College, for helping create better spaces for learning.

SERVING WITH PURPOSE: KEEPING THE JULOOS CLEAN

weFEEDsa was honoured to provide support to the Julooos, a ceremonial procession commemorating the life and legacy of Prophet Muhammad ﷺ. With approximately **5,000 people in attendance**, our team followed the procession, collecting waste along the route and cleaning the main ceremony grounds afterwards. We ensured clean and safe routes by arranging security and ambulance services. From the first participant to the final clean-up, we were there to help ensure the day remained dignified, welcoming, and clean for everyone.

EXAM DAY: A MILESTONE FOR OUR ECD LEVEL 4 STUDENTS

On 29 September, our **ECD Level 4 learners** wrote their final exam, leaving feeling upbeat and hopeful. Since beginning their journey on 21 October 2025, they have expanded their knowledge, completed portfolios, and gained valuable hands-on experience at ECD centres. Many come from disadvantaged communities, and the skills they have developed will benefit young children, ECD centres, and their wider communities. Funding, dedicated facilitation, mentorship, and workplace exposure have fostered a supportive environment for growth. We thank **Standard Bank** and the **Social Employment Fund** for making this accredited training possible.

MANDLINKOSI BOREHOLE: WATER KEEPS LEARNING GOING

At **Mandlinkosi Secondary School in Lindelani**, weFEEDsa installed a borehole through the generous support of a donor, helping restore reliable water access and keep the school's facilities functioning. The water will also support the surrounding community when needed, extending the impact beyond the school.

By investing in essential infrastructure and maintaining public spaces, we help create safer, healthier environments where communities can learn, grow and thrive together.
